Forecast For East of England
Issued by Met Office Exeter
at 1600 on Saturday 26 Jun 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Becoming cloudy and misty overnight, brightening up on Sunday.

This Evening and Tonight:
After some evening sunshine, mist and low cloud will spread westward across all parts during the evening, with some drizzle and the odd shower by morning. Minimum temperature 13 deg C (55 deg F).

Sunday:
Starting cloudy and misty with some showery rain or drizzle, but brightening up with some sunny intervals developing. However further showery rain likely in the south later in the day. Maximum temperature 22 deg C (72 deg F).

Outlook for Monday to Wednesday:
Rather unsettled and often cloudy through the period, with bands of rain or showers, locally heavy and potentially thundery. Some warm sunny spells also likely and feeling humid at times.
